

# The Flight Plan

## Happy New Year!

I took over as Newsletter Editor this past fall. With my wedding and the holidays, I was unable to get a newsletter out via the Postal Service. The information is still valuable, and it is available on our Chrysalis website at [www.nwochrysalis.org](http://www.nwochrysalis.org)

However, since it did not go out to everyone I have decided to republish the names of the Butterflies from the Boys' and Girls' Flights #13. You will also find the Butterflies from Girls' Flight #14 listed as well as the team members.

I hope that everyone experienced blessings over the Christmas holiday. Remembering our Savior's birth and celebrating with family and friends is a true treasure that we often take for granted. I am so thankful that we can proclaim the words "Merry Christmas"!

As we head further into this new year of 2006 I wish you all opportunities to give and receive love, friendship, and most of all the gift of Salvation in Jesus Christ. Our Chrysalis Community will be busy again this year, and we will

need every one of you to assist in making the Flights, Candlelights, Closings, Meals, Agape Sharing, Hoots, and Reunions a huge success. Please consider joining us in making this a super year of glorifying our Lord and lifting Jesus high.

In Christ,

## Serving Opportunities and Reminders

Serving as a kitchen, social, or agape volunteer during the flight weekend is a great way to make the experience extra-special for the bugs. Here are a few reminders as you serve behind the scenes:

Remember your nametag! **Be prompt.** You do not need to dress formally unless you are serving the Saturday evening meal. However, at all times please dress modestly. **Skirts/dresses should be at an appropriate length as to not be a distraction.** Tops should not be cut too low, and pants should not hang below the waist. **Words and pictures on clothing should be non-offensive.** Chrysalis board members reserve the right to ask community members to cover up inappropriate clothing as they deem necessary. **Be prepared to stay and help in the kitchen with clean-up after you serve the meal.** Please do not mingle with the bugs on their weekend. Let them get to know one another.

## How Is a Chrysalis Team Chosen?

Just how is the team for a Chrysalis weekend selected? Well, there are many steps that go into team formation. It starts with PRAYER. Once the Lay Director (LD) is chosen (months before the flight), a Team Selection Committee meets. This committee is made up of youth and adults from all over the NWO community. Names for all prospective team members are PRAYED over before and after being given to the LD. Then the LD PRAYS over who to call from the list of names he/she is given, and continues to call youth and adults until all team slots are filled.

The team "ideally" should consist of 1/3 inexperienced, 1/3 somewhat experienced (previous service on 1 or 2 teams), and 1/3 very experienced youth and adults. While this may not be the ratio that God brings together, it is the model Chrysalis tries to follow.

There is a maximum of 23 people per team, not including the LD and Spiritual Directors. It is important to remember that serving on a team is NOT the only way to serve the weekend

and your Chrysalis community. Help is always needed with logistics, setting up, tearing down, social and kitchen. It takes more than the team in the conference room for a Chrysalis weekend to be effective.

You can go to [www.nwochrysalis.org](http://www.nwochrysalis.org) to find sign-up opportunities for weekends. Remember that while serving on a team is a wonderful way to give back, there are many ways God can use you!

## Weekend Times to Remember

**Sponsors**—Butterflies are to arrive at 8:00 a.m. on Friday (of the Flight Weekend). Enter at the Narthex door at the back of the church. There will be a sign on the door - "Chrysalis Enter Here".

**Sponsors' Hour**—Immediately following "Send-Off" (on Friday morning). (Sponsors' Hour is for those who are sponsoring a butterfly. Parents who come to 'send-off' with their child are not expected to

attend sponsor's hour unless they have been on an Emmaus/Chrysalis weekend and are their youth's sponsor. Sponsors' hour is held in the Sanctuary.)

**Candlelight**—Saturday of the Flight Weekend at 8:00 p.m. This service is only for those who have been on an Emmaus or Chrysalis Weekend. Child care is available.

**Closing**—Sunday of the Flight weekend at 4:30 p.m. Parents and

family of Butterflies are encouraged and expected to attend. Enter through the back door nearest the kitchen (last door on the left as you face the back of the church). Remember to bring a finger food for the reception after the closing worship service - the butterflies and team will be hungry. Child care is available and the nursery opens at 4:00 p.m.
