Please visit us at <http://www.nwochrysalis.org>

Hello Everybody!

Summer is finally here with some warm weather and school is out! We have a great summer coming up. Girl's Flight #13 is at the end of June as usual and Boy's Flight #13 will be on the first weekend in August.

I want to congratulate Dani Hissong for winning the last Chrysalis Quiz. The question was "What separates us from God?" Dani knew that it was sin that separates us from God. Way to go Dani!

Don't forget about the Emmaus Walks that will be happening at Epworth UMC this summer. Your help is always a blessing to the pilgrims on a walk.

Have a safe summer.

Hoot Report

The Hoot at West Unity had a wonderful turn out. The purpose of the Hoot was to raise awareness of the Chrysalis and Awakening communities. The crowd was treated to a concert by the Celebrate Life Praise Band, led by Landon Heeres. The evening proceeded to a short devotional message, and an informative session about Chrysalis and Awakening. After all the questions were answered, the community and new friends enjoyed snacks and door prizes.

New Ice Machine

Maumee UMC will have an ice machine installed in their kitchen in time for Girl's Flight #13. Yeah! There will be no more running for bags of ice during a flight.

The UMW of Maumee UMC and the Emmaus/Chrysalis community contributed money for this much needed machine which will get lots of use.

The Butterfly Spot

My life was crazy and I didn't know who I was or what I wanted to do. I never liked going to church. I went because I had to. One summer we visited Aldersgate UMC. I felt like family at that church. The first time there I was in the service. I surprised my parents. We all soon became members of that church and three of us joined the choir.

I soon made the choice to do a Chrysalis flight. When my family found out that I was going they were all proud of me. I had no idea what was going to happen. I cried so much on my flight. I believed in God after that weekend.

A year later my mom got sick with cancer and I found out that I was pregnant with my daughter. Having my daughter helped my mom fight but God said that it was her time after her grandchild turned one.

One month after my mom died I met John. We are now getting married with one on the way. God showed and helped me through a lot of rough things.

Events and times for a Chrysalis Flight

Chrysalis flights in Northwest Ohio are always held at Maumee UMC which is located at 405 Sackett St. in Maumee, OH.

Candlelight is always on the Saturday of a flight at 8:00pm. Only those who have experienced Chrysalis or Emmaus should attend.

Closing is always on the Sunday of a flight at 5:00pm. However, you should arrive early between 4:30 – 4:45pm. Bring finger food – table service and beverages provided. Parents of butterflies are encouraged to attend, whether or not they have attended a Chrysalis Flight or Emmaus Walk.

From our Spiritual Director

This may be shocking, but here is a newsletter article from your friendly neighborhood Community Spiritual Director. I wanted to write an article for this issue because we are coming up on the summer, and with the summer comes 2 Chrysalis weekends. With 2 weekends this summer, there is an opportunity for 70 youth (35 girls and 35 boys) to become part of the Chrysalis community, and more importantly become part of the family of God.

Justin Timberlake – okay do I still have your attention? Unfortunately several of the past few weekends have been less than full. Do you remember your Chrysalis weekend? Do you remember the great feeling you had about your life and faith? Don't you want as many people as possible to have that feeling? Don't you remember all those people you promised to get on a weekend when you spoke at closing?

Brittany Spears – still with me? Here's where you come in. You know other youth. You know more youth than I do. You know more youth than your parents do. You know more youth than any adult I know. You talk youth. Even when I try to sound cool and talk youth it comes out silly. You are the best evangelists Chrysalis – and Christ – have. You are the ones that can help these weekends fill up.

Lindsay Lohan – okay that'll be my last attention getter – GET TO IT. Sign people up. Applications can be found at www.nwochrysalis.org. Be a good sponsor. Talk to their parents; get letters from their friends, their parents, their family and you. Make sure they bring a set of dress up clothes, and most of all pray for them. You are the best way to spread the Gospel through Chrysalis. Share what God has shared with you.

Oh, and one more thing. Please come to candlelight. Please. Please. Please. Okay, one more. Please. Find the dates elsewhere in this newsletter and come. Come as groups, go out to eat afterward, make it a fun night, but please come.

See you at Candlelight and during the weekend,
Kurt
