Celebrate Summer!

The summer is moving along quickly. Vacations, ball games, swimming, and hopefully, lots of time with family and friends.

What have you been busy doing this summer? My husband and I have spent a week in West Virginia, spreading the love of Jesus through construction projects and children's ministry. We have met with our youth group every Wednesday night, and we were able to spend a few weeks with Brett's daughter Kayla. We went as a family on an overnight get-away and swam in the

pool to our hearts' content. Being busy doing God's work and enjoying family is truly a blessing.

The Chrysalis community has been busy this summer as well. New board members have been elected, and new butterflies were welcomed following the girls' flight in June.

Please take time to visit the website and volunteer to serve on the boys' flight in August. When we all are willing to lend a hand the work is much lighter and easier to accomplish. It

certainly is much more fun when a group of friends is involved.

God Bless You!

The Fred Factor

This book gives much food for thought. Based on a true story, the author shares his experience with meeting "Fred," and how he strives each day to be a "Fred," and build up new "Fred." This concept can be used in everyday life, work, home, and ministry. Are you a "Fred"? How many "Fred" do you know? Here are the four main principles:

1. Everyone Makes a Difference
2. Everything Is Built on Relationships

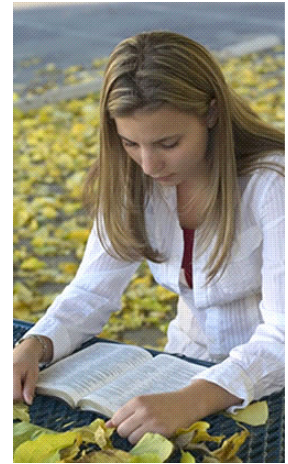

3. You Must Continually Create Value for Others, and It Doesn't Have to Cost a Penny.
4. You Can Reinvent Yourself Regularly
